### LEGAL NOTICE.

No. 224. TERRITORY OF HAWAII,  
COURT OF LAND REGISTRATION.  
TERRITORY OF HAWAII TO ES-  
TATE OF CHARLES W. BOOTH,  
Deceased, Hawaiian Trust Company,  
Ltd., Administrator; W. R. CASTLE,  
Trustee for Mrs. H. E. Coleman; C.  
S. DESKY; MRS. CORDELIA E.  
ALLEN; MRS. H. E. COLEMAN;  
TERRITORY OF HAWAII, by Alex-  
ander Lindsay, Jr., Attorney Gen-  
eral, and Marston Campbell, as Su-  
perintendent of Public Works; CITY  
AND COUNTY OF HONOLULU, by  
Joseph J. Fern, as Mayor and Pres-  
ident of the Board of Supervisors;  
and to ALL whom it may concern:  
WHEREAS, a petition has been pre-  
sented to said Court by MARY E.  
CROSS to register and confirm her  
title in the following described land:  
Lot 12 and adjoining land, Pacific  
Heights Tract, Honolulu, Oahu, being  
a portion of L. C. A. 373, Part 1, R. P.  
302, to Joseph Booth, described as  
follows:

Beginning at an iron pipe on the  
east side of Kaulani Drive at the  
north corner of L. R. C. Petition 81,  
W. R. Castle, Trustee, Petitioner, the  
coordinates of said pipe referred to  
the Pacific Heights Reservoir Station  
being north 321.5 feet and east 165.2  
feet, said Reservoir Station being by  
true azimuth 215° 38', 6380 feet, from  
the Punchbowl Triangulation Station,  
and running by true azimuths:  
1. 293° 40', 30.0 feet, along L. R. C.  
Petition 81 to iron pipe;  
2. 301° 55', 66.3 feet, to point 20 feet  
from reservoir supply pipe;  
3. 233° 43', 50.4 feet, parallel to and  
20 feet from said pipe to cross  
on rock;  
4. 235° 45', 152.9 feet, parallel to and  
20 feet from said pipe to driven  
iron pipe;  
5. 216° 45', 40.3 feet, parallel to and  
20 feet from said pipe to driven  
iron pipe;  
6. 229° 55', 72.9 feet, parallel to and  
20 feet from said pipe to driven  
iron pipe;  
7. 113° 10', 309.0 feet, along Lots  
112 and 11 to iron pipe;  
8. 27° 05', 233.1 feet, along Lot 13 to  
iron pipe;  
9. 287° 12', 34.8 feet, along Kaulani  
Drive;  
10. 311° 00', 30.0 feet, along Kaulani  
Drive to point of curve;  
11. Southerly 33.0 feet along Kaulani  
Drive along a curve to the right  
having a radius of 21 feet, the  
direct azimuth and distance be-  
ing 356° 00', 29.1 feet, to the  
initial point, and containing an  
area of 66,150 square feet.

You are hereby cited to appear at  
the Court of Land Registration, to be  
held at the City and County of Hono-  
lulu on the 10th day of September,  
A. D. 1912, at two o'clock in the after-  
noon, to show cause, if any you have,  
why the prayer of said petition should  
not be granted. And unless you ap-  
pear at said Court at the time and  
place aforesaid your default will be  
recorded, and the said petition will be  
taken as confessed, and you will be  
forever barred from contesting said pe-  
tition or any decree entered thereon.  
Witness the Honorable W. L. WHIT-  
NEY, Judge of said Court, this 12th  
day of August, in the year nineteen  
hundred and twelve.

Attest with Seal of said Court:  
(Seal) JOHN MARCALLINO,  
Registrar.  
5313—Aug. 13, 20, 27; Sept. 3.

## SPRECKELS START SUIT TO REACH U. S. HIGH COURT

In order that the heirs of Claus  
Spreckels may carry their fight over  
his enormous estate into the Supreme  
Court of the United States, a suit  
was filed in the Circuit Court at Ho-  
lulu yesterday by attorneys for  
John D. and Adolph B. Spreckels  
against Claus Spreckels and Rudolph  
Spreckels, to quiet title to property  
belonging to the estate in this city.

Similar suits over the estate in  
California were won by the two first-  
mentioned heirs in the lower courts,  
but lost on appeal to the Supreme  
Court of the State, and because the  
questions at issue did not involve the  
constitutionality of any statute the  
cases could not be carried higher.  
But all cases involving \$5,000 or  
more in the Territory may be ap-  
pealed to the highest tribunal and  
for that reason the present suit is  
filed here. It is figured that with a  
definite decision of the Supreme  
Court of the United States on the  
merits of the controversy, the heirs  
may determine a division of the en-  
tire estate.

The suit filed here involves as de-  
fendants, besides Rudolph and Claus  
Spreckels, Emma C. Ferris, their sis-  
ter, John Ferris, and the tenants of  
the property, which include the Ha-  
waiian Star Newspaper Association,  
the Schuman Carriage Company, As-  
sociated Garage, Gustav Horkman, J.  
H. Schnack, W. O. Barnhart, Albert  
C. Kiechler, M. T. Marshall and John  
Neill.

The fire department was called out  
yesterday afternoon to a fire on Ka-  
lakaue avenue consisting of a shack  
that stands close to the track on the  
mauka side. It was consumed by the  
flames before the department could  
get there. Two families occupied the  
shack.

### BY AUTHORITY.

#### MAUI LOAN FUND COMMISSION.

Sealed Tenders will be received at  
the office of the Maui Loan Fund  
Commission, at Wailuku, Maui, T. H.,  
until Saturday, September 14, at 10  
o'clock a. m., for constructing, and  
furnishing all labor, tools, equipment  
and material, except all pipe and fit-  
tings, necessary to construct, in ac-  
cordance with the plans and specifica-  
tions, a reservoir at Kokee, Kula, Is-  
land of Maui, T. H., of a capacity of  
approximately 500,000 gallons.

Plans and specifications and other  
information may be had upon applica-  
tion to the Maui Loan Fund Commis-  
sion, or at the office of the Superin-  
tendent of Public Works, at Honolulu,  
T. H.

The right is reserved to reject any  
and all bids.  
Tenders must be made on forms fur-  
nished by the Maui Loan Fund Com-  
mission, and must be accompanied by  
a certified check amounting to not  
less than 5% of the amount of the ten-  
der.

W. F. POGUE,  
Vice Chairman, Maui Loan Fund Com-  
mission.

#### MAUI LOAN FUND COMMISSION.

Sealed Tenders will be received at  
the office of the Maui Loan Fund Com-  
mission, Wailuku, Maui, T. H., until  
10 o'clock a. m., Saturday, September  
14, for constructing a One-Story Frame  
Building to be used as a schoolhouse  
at Hana, Maui, T. H., to be built for  
the Territory of Hawaii, according to  
plans and specifications, and under the  
supervision of the Maui Loan Fund  
Commission.

Plans, specifications and other in-  
formation may be had upon applica-  
tion to the Maui Loan Fund Commis-  
sion or at the office of the Superin-  
tendent of Public Works, at Honolulu,  
T. H.

The Maui Loan Fund Commission  
reserves the right to reject any and  
all bids.

Tenders must be made on forms fur-  
nished by the Maui Loan Fund Com-  
mission, and must be accompanied by  
a certified check in amount equal to  
5% of the tender.

## Queen Regent Ledge Is Gaining In Width

The Values Are Also Increasing With Depth

Work Is Being Pushed

Again Mineral county comes to the front with  
a big strike made 18 miles east of Schurz on the  
property of the Queen Regent Merger Mines  
company. The strike is of such importance as  
to indicate that a new and important camp will  
be opened.

At a depth of 240 feet the entire width of the  
shaft was in ore, and at 250 feet, where an in-  
cline was started to follow the ledge, the ore is  
fully 12 feet wide. During the past few weeks  
the shaft has been sunk at the rate of 12 to 17  
feet per week with one shift of men, indicating  
that very good progress is being made. The  
shaft is now over 300 feet and the ledge has very  
materially widened and is now about 17 feet  
wide, while the class and character of the ore has  
materially improved; assays showing all the  
way from \$1.73 to \$133.

The operations of this company have been  
watched with a great deal of interest, owing to  
the fact that they have quietly and persistently  
carried on development work under very trying  
conditions. In sinking the main shaft an enor-  
mous iron dyke was encountered which proved  
to be almost 100 feet thick, and sinking through  
this iron was slow and expensive; in fact, it has  
been stated that it was a little like drilling  
through an anvil. But at 220 feet quartz string-  
ers began to show and much more rapid progress  
was made. At 230 feet three feet of quartz  
was showing in the shaft and at 250 feet, as stated  
above, the ledge was fully 12 feet wide.

Through the property runs a great hematite  
contact fissure showing at the surface hematite  
iron deposits carrying appreciable values in gold  
and copper. If transportation facilities were  
available, it is stated that this iron alone would  
fully finance all development work. After pass-  
ing through the iron the ore was found to lie in-  
mediately beneath and from the 250 level the  
shaft is carried on as an incline at an angle of  
45 degrees and all sinking is done in solid ore.

This important discovery has attracted the at-  
tention of capital to such an extent that the com-  
pany is planning to very materially increase the  
working force and will put on at least two shifts  
of men in sinking the main shaft. At the rate  
they are going, they will be able to make from  
120 to 150 feet per month. It is intended that  
sinking operations shall be carried steadily for-  
ward and that drifts will be started both ways  
from the shaft on the 300 level; also on the 400  
when that level is reached, and block out the ore  
to put the mine in position for early production.  
The ore is free milling but plans for reduction  
works will not be determined until the shaft has  
reached a depth of 600 or 700 feet, in order to  
fully determine the kind of plant necessary for  
the reduction of the ore.

There is no doubt but that there are many  
properties in Mineral county that would develop  
into big-paying proposition if machinery equip-  
ment were installed and systematic development  
carried forward to reach depth. As the mining  
situation is improving and money becoming  
more readily available for the development of  
good properties, we believe important strikes  
will be made in Mineral county that will eventu-  
ally make it second to none in the State of Ne-  
vada.

The above article, which recently appeared in the  
Western Nevada Miner, published at Mina, Mineral Coun-  
ty, Nevada, should be of great interest to local people and  
especially gratifying to those who purchased shares of  
this company.

The great mines of Nevada are paying millions of  
dollars in dividends every year. This is especially true  
of the great camps of Tonopah and Goldfield.

Judging from the best information obtainable, the  
purchase of QUEEN REGENT MERGER MINES COM-  
PANY'S stock for 7 1/2 cents per share at this time will  
probably result in good profits to the purchaser, not  
only by the increase in value of the stock, but also by  
dividends.

Great profits have been made in mining by those  
who bought shares in the beginning at a low price, and  
in a comparatively short time found their shares sell-  
ing at many dollars per share. Such advances have  
laid the foundation of many a substantial fortune.

Shares of this company can be secured from
